****CHRB Rule 1467 (e):**

In addition to the duties in subsection (a), the paymaster of purses shall deduct from the horse owner's account 0.3 percent of the net purse earned by any thoroughbred horse at a thoroughbred racing association or Fair meeting, and deposit into the California Retirement Management Account (CARMA), a charitable trust fund maintained by the horsemen's organization representing thoroughbred horse owners (horsemen's organization), for distribution to California thoroughbred retirement/rehabilitation facilities, which provide livestock care and services to retired thoroughbred horses that competed in thoroughbred races in California. (1) Thoroughbred horse owners may elect not to have the 0.3 percent deducted from the net purse by filing with the paymaster of purses at each racing association for each race meeting at which the owners wish it to be in effect, a form CHRB-206 (New 09/07), Notification of Exclusion of CARMA Contribution, which is hereby incorporated by reference. The form CHRB-206 (New 09/07) is available at the office of the paymaster of purses at any race meeting. (2) The horsemen's organization shall distribute CARMA funds at least on an annual basis to retirement/rehabilitation facilities, as determined by the organization. Each such retirement/rehabilitation facility shall be: (A) A nonprofit corporation or organization. (B) Exempt or entitled to an exemption from federal or state income taxes. (C) Approved by the Board. (3) The horsemen's organization shall file with the Board within 90 days of the close of its fiscal year an audited financial statement of the CARMA.
