

ALL RUNNER PURSE DISTRIBUTION SURVEY

The following survey asked the membership whether they paid purses to all runners regardless of finish, presently or in the past, and, if so, which types of races they pay out in that manner, to which placing was a percentage of the purse used, whether a special incentive fund was used, and whether there had been any appreciable results.

Of the 23 responding tracks, 13 currently pay out purses to all runners regardless of finish. Individual responses follow in chart format:
