<sup>1</sup> *We made a big push with the riders a few years back to try to get them to participate but most are young and don't see the need. You can lead a horse to water but you can't make them drink. Also compliance with HIPAA rules made it hard to assist them and most needed guidance in order to participant.*

<sup>2</sup> *We have jockey club personnel come in first of meet to sign up all jockeys- the association does not let a jockey ride until jockey has fully complied and signed up*
