

TRA SAFETY RAIL SURVEY - PRELIMINARY RESULTS

April 2013

Track	Do you have a Fontana-style safety rail?	If so, have you found a source for replacement covers? If yes, what is your source?	If you have not found a source, would you be interested in participating with other tracks to fabricate new covers?	Comments
Arlington Park	Yes	No I have been told that Horsemen's equipment in Kentucky makes a replacement panel but I have not purchased any.	Yes	We are searching for other components of the Fontana rail system which are no longer available.
Beulah Park	Yes	Yes Aluminum panels are fabricated by 2 local sheet metal fab shops: Blackburn's Fabrication & M.R.S. Industrial	n/a	
Calder	Yes	No	No	
Canterbury Park	Yes	No	Yes	
Delaware Park	Yes	No	No	
Fair Grounds	Yes	No	Yes	
Finger Lakes	Yes	No	n/a	We have enough replacements in stock for at least 5+ years
Horsemen's Park	No	n/a	n/a	
Lone Star Park	Yes	No	Yes	
Parx	Yes	No	Yes	
Portland Meadows	Yes	Yes We have a Steriline Safety Rail from Australia. They are the source for replacement covers but it is a difficult procedure to get replacement parts.	n/a	
Sam Houston	Yes	No	Yes	If others have a source, please let us know.
Tampa Bay Downs	No	n/a	n/a	
Woodbine	No	n/a	n/a	
Total: 14	Yes: 11 No: 3	Yes: 2 No: 9	Yes: 6 No: 2
